

**UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA**

## ORDER

Pending before the Court is the Report and Recommendation of United States Magistrate Judge Nancy J. Koppe, (ECF No. 6), which states that this Court does not have jurisdiction.

A party may file specific written objections to the findings and recommendations of a United States Magistrate Judge made pursuant to Local Rule IB 1-4. 28 U.S.C. § 636(b)(1)(B); D. Nev. R. IB 3-2. Upon the filing of such objections, the Court must make a de novo determination of those portions to which objections are made. *Id.* The Court may accept, reject, or modify, in whole or in part, the findings or recommendations made by the Magistrate Judge. 28 U.S.C. § 636(b)(1); D. Nev. IB 3-2(b). Where a party fails to object, however, the Court is not required to conduct “any review at all . . . of any issue that is not the subject of an objection.” *Thomas v. Arn*, 474 U.S. 140, 149 (1985). Indeed, the Ninth Circuit has recognized that a district court is not required to review a magistrate judge’s report and recommendation where no objections have been filed. *See, e.g., United States v. Reyna-Tapia*, 328 F.3d 1114, 1122 (9th Cir. 2003).

Here, no objections were filed, and the deadline to do so has passed.

Accordingly,

1           **IT IS HEREBY ORDERED** that the Report and Recommendation, (ECF No. 6), is  
2           **ADOPTED** in full.

3           **IT IS FURTHER ORDERED** that this case is **DIMISSED** for lack of subject matter  
4           jurisdiction.

5           **IT IS FURTHER ORDERED** that Plaintiff's Motion, (ECF No. 5), is **DENIED**  
6           pursuant to the lack of jurisdiction.

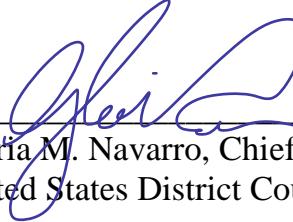

7           The Clerk is instructed to close the case.

8

9           **DATED** this 12 day of March, 2018.
